

Somewhere along the road

Somewhere along the road,
someone waits for me.
Beyond these present storms that blow
waiting patiently.
No secrets held in an open heart
a spirit that soars over mountains.
Somewhere along the road
someone waits for me.

Somehow a guiding light,
always shows the way.
To those who lose their way by night
searching for the day.
A day away from happiness
tomorrow will bring a new sunrise.
Somewhere along the road
someone waits for me.

Sometime when winds are still, unexpectedly.
Perhaps beyond this silent hill
A voice will call to me.
Raise your eyes to see my world
raise your voice and sing out.
Somewhere along the road
someone waits for me.
